SPEAKING TOPICS:

How to use Profiling to boost sales performance

People don't buy products or services, rather, they buy the sales person. The faster you can build rapport and trust, the faster you will complete the sales cycle, improve your conversion rate and increase profits. Learn how to read their buying motives and prepare winning presentations, long before the sales process begins

Communications in the workplace. How to boost productivity and reduce disputes

The biggest problem in business today is disengaged staff, which reduces productivity and wastes valuable profits. Learn how to build strong supportive teams, cooperation, and how to reduce workplace conflicts, while increasing productivity

Communications that Count. How to really communicate with significant people in professional and personal life

People make snap decisions within the first few seconds of meeting you. Being able to read how someone prefers to be spoken to and treated, within just seconds of meeting them, ensure memorable and lasting relationships

PRAISE FOR ALAN:

"Alan has proven to be one of the brightest pioneers of human communication of this age. Laser-sharp, highly valuable and immensely useful responses relating to human traits and their identification"

- Steve Sojka, Accredited Criminal Profiler and Specialist in Tactical Psychology

"Alan is a marvellous speaker, quick with his ideas and always on point. I would recommend Alan to anyone looking for a way to reach goals via raising awareness of people's personalities and how people can work together."

- Kim Simpson, Community Coordinator, Hunter New England Health
